Client:

KB Dental Consulting, LLC
Based in Amelia, Ohio, USA

Background:

KB Dental Consulting, LLC provides new and pre-owned mobile dental clinic, dental van, dental coach, dental trailer, medical van, health screening van, bone density screening van, mammography van on rent and sale. They also provide Pre-owned medical equipment such as MRI Scanner, CT Scanner, Gamma Camera, Pet-CT Van and Ultrasound Machine for sale from Siemens, GE, Philips and Toshiba.

Goal:

- Rank Page #1 Internationally for Targeted Keywords
- Increase Organic, Referral and Social Traffic
- Increase the No. Of Inquiry Forms Submission
- Increase Visibility on Google and other SERPs
- Make Website Compatible with Mobile Devices and all Browsers

Solution:

To rank Page #1 Internationally for targeted Keywords, our primary step is to conduct a detail keyword research for targeted countries such as USA, UK, Australia, Canada, Germany, UAE and India. We have used the Google Keyword Planner tool to identify the best Keywords and Competition. We have generated an Initial Keyword Ranking report to identify keyword positions and pages ranked in targeted countries. We have created unique and relevant website content, meta tags, image tags and header tags according to the targeted keywords and countries. We have started adding unique and interesting blog posts targeted to Keywords and Countries. We have simplified inquiry forms to get the faster and precise date from the user. We have submitted a sitemap to Google webmaster tool and resolve the indexing errors. We have set up a Google Analytics account to track real-time visitors, direct visitors, organic visitors and social visitors.
